

DAB Dipole

200—230 Mhz

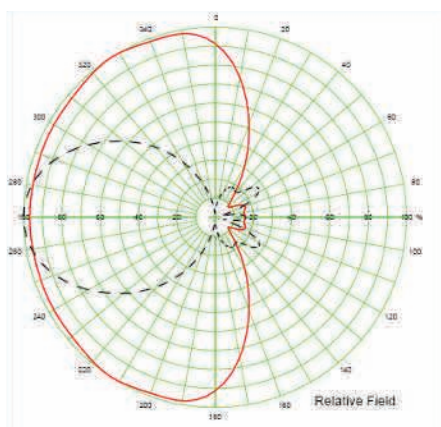

Electrical Specifications	Units	Performance
Frequency	MHz	200 - 230
Input Impedance	Ohms	50
VSWR		<1.1
Maximum Input Power (7/8" - 7.16)	kW	3.5 - 2.4
Polarisation		Vertical/Horizontal

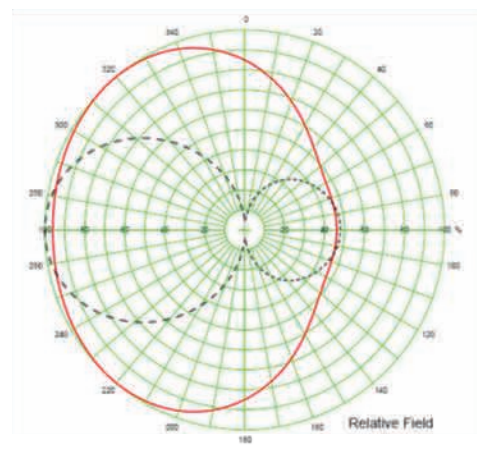

Mechanical Specifications	
Input	7/8" EIA or 7:16 DIN
Mounting	Pole / Structure Leg Sidemount
Weight	5 Kg
Material	Brass / Stainless Steel

Single Element Patterns
All Patterns Dependent on Environment

HRP & VRP Mounted to 100mm Dia Pole on 2800mm Face Structure

HRP & VRP Mounted to 100mm Dia Pole in Free Space

Alan Dick Broadcast Ltd

Design, supply & manufacture communication infrastructure systems on a global scale by offering products and services for Wireless networks.

• Americas • Asia Pacific • Europe • Middle East
